Please feel free to expand your response beyond the space provided above.

Personal interviews with current council members will be scheduled to take place over the next several weeks.

The Mission and Vision of St. Matthew Parish remind us that our community is dedicated to advancing the unity and renewal of its members. Currently, the council consists of seven members who have shared a common dedication to the parish, for as few as four to as many as twenty years. As a parish committed to putting faith into action (Vatican Council II's call to renewal) in fulfilling Jesus' mission of teaching, healing and reaching out to others, it is our desire to increase the strength of the council, by increasing the number of its members.

During the strategic planning process we also recognized that the composition of our parish has changed over the years. An additional goal of the council is to further enhance our representation of the parish by including these changes in the composition of its members.

In addition to several faith-filled parishioners recommended by others already, we invite any registered parishioner of St. Matthew Parish, who has reached the age of eighteen years and is interested in offering their gifts or talents by becoming a member of the council, to provide their personal information on the form included in this invitation.

Members of the council are responsible for providing guidance and leadership in the following key areas: Worship, Evangelization, Discipleship, Membership, Hospitality, Service and Stewardship as well as assisting and offering support for the Pastor.

The Parish Pastoral Council commitment would be for three years, and meetings are held once a month on Saturday mornings.

**Fr. Glab and the Parish Pastoral Council**

If you are interested in representing the parish on the council, please fill in this form and return no later than April 8, 2009.
